SENIOR ENVIRONMENTAL & HISTORIC COMPLIANCE SPECIALIST

NEPA | NHPA | ESA | Federal & International Regulatory Frameworks | Project Review & Approval

Environmental and Historic Compliance expert with 30+ years of experience across U.S. federal, state, and municipal agencies, as well as international organizations including the United Nations. Proven track record in **environmental review, regulatory compliance, and project approval processes** under key frameworks such as **NEPA, NHPA, ESA, CWA, and CZMA**.

Recognized for leading **large-scale project reviews**, ensuring compliance with environmental and historic preservation laws, and advising on complex regulatory requirements. Combines **technical expertise, academic leadership, and field implementation** to deliver policy-aligned, data-driven solutions.

Experienced in **cross-sector coordination**, stakeholder engagement, and translating regulatory requirements into actionable project strategies. Positioned for **senior advisory, compliance leadership, and consulting roles** within federal agencies, international organizations, and environmental consulting firms.

CORE COMPETENCIES

- Environmental & Historic Compliance (NEPA, NHPA, ESA, CWA, CZMA)
- Environmental Review & Regulatory Approvals
- Project Analysis, Monitoring & Field Inspection
- Federal Compliance Frameworks & Executive Orders
- Environmental Impact Assessment (EIA)
- International Development & Sustainability Programs
- Policy Analysis & Advisory
- Stakeholder Coordination & Interagency Collaboration
- Technical Reporting & Documentation
- Academic Instruction & Curriculum Development
